Dear Mr Homann

**PROPOSAL UNDER THE "PROFITING FROM CLEANER PRODUCTION – INDUSTRY PARTNERSHIPS PROGRAM"**

I am pleased to inform you that your application for funding under the "Profiting from Cleaner Production - Industry Partnerships Program" has been approved. 03 Wash Pty Ltd is offered matched funding of \$65,000 towards the "On-site evaluation of ozone laundering in the nursing home industry" project. I am very encouraged by your company's commitment to cleaner production and your enthusiasm to partner the Government to improve the environmental performance of the laundry industry.

I would like to make a public announcement promoting our partnership agreement. A senior officer of the Environment Protection Authority (EPA) will be in contact with you shortly to develop the final proposal and Deed of Agreement and will arrange the coordination of the public announcement.

I would like to take this opportunity to wish you well with the project and I look forward to hearing of the environmental gains made as a result of our partnership. Should you wish to discuss any matter relating to this letter, please contact Mr David Trewin, Manager, Cleaner Industries Unit at the EPA on (02) 9995 5325.

Yours sincerely
